## ***G.P.S. for Business***

Are you looking for direction to be more pro-active in your business?

Have you ever had an "Aha! Let me try...", but haven't had the opportunity to implement your great idea?

Take those great ideas and create an actionable plan by defining the **G**oals, **P**lans and **S**trategies to positively impact your business this year.

This 2-hour workshop is available on the second Friday of every month to support you in defining your vision and values and how they impact your daily decisions; evaluating where you are today, and applying the basics of goal achievement to your business each and every day.

Each month we will cover one area more in depth. For August, the discussion will revolve around Identifying Your Path through Goal Achievement and an Action Plan.

Presented by Laurie Mrva of Achieve Success. Pre-payment and pre-registration required. Contact Laurie at (540) 597-0813 or [Laurie@AchieveSuccessLLC.com](mailto:Laurie@AchieveSuccessLLC.com)

Friday August 13th, 2010

11:30 to 1:30 PM

Goodwill's Corporate Office, 2502 Melrose Ave

Cost: \$49

Bring a brown bag lunch; drinks will be available.
